

CASTELLO BOUTIQUE RESORT & SPA *****

Stylish high-quality design is the hallmark of this deluxe boutique resort, situated in one of the most beautiful and sought-after locations in Crete – the traditional seaside village of Sissi. Recalling a bygone era of gracious living, *Castello Boutique Resort & Spa* offers the personalized service and amenities required by today's discriminating traveller.

The resort's fifty rooms – spacious Superior guest rooms, authentic Deluxe guest rooms, and charming Junior suites – offer a haven from the busy world, with private terraces overlooking the elegant tropical gardens and providing stunning views of the serene and majestic Cretan landscape.

Most of the guest rooms have sweet-water pools or private out-door jacuzzis, and all are equipped with the finest contemporary amenities, including marbled bathrooms with separate shower cubicles, individual air-conditioning, king-sized beds, designer linen and robes, two-line telephones with voicemail, high-speed internet connection, in-room fax machines, CD-DVD catalogue, flat-screen TV, hair-dryer, and electronic safety-deposit box. Guests, who are welcomed on arrival with cherry or afternoon tea, will enjoy 16-hour room service, twice-daily maid service, valet de chambre, newspaper of choice, and shoe-shine service.

The focal point of the resort is the picturesque outdoor fresh-water swimming pool, equipped with fibre-optical effects. Here you can relax and enjoy drinks served by our attentive staff, or, if you are feeling energetic, discover our range of water-sports activities, available nearby.

Pride of place goes to the luxurious *Spa* centre, which provides a wide array of therapeutic remedies, health technologies, and fitness facilities, all geared to enhance health, well-being, and beauty.

High-class cuisine is a priority at the *Castello Boutique Resort & Spa*. Breakfast, lunch, and dinner are prepared to suit your tastes and your mood – from a banquet for fifty to an intimate dinner for two in your suite ...

Enjoy gourmet cooking from Crete and around the world in *Elea Restaurant*, with its panoramic views of the mountains. Relax to chill-out music with a fine cognac in the open-air *Aroma Bar* beside the pool. Indulge yourself in the *Aegeo Tavern*, where fine cuisine is prepared from fresh local produce and delicious seafood served from the day's catch. With its grand banquet rooms, the resort also provides superlative catering for large events, such as weddings, corporate meetings, and social gatherings.

A unique feature of the hotel is its classical open-air theatre *Amphitheatro*, which stages plays and cultural events from ancient Greece and around the world. In the evening, as the sun sets over the Mediterranean, illuminating the heights of the mountains behind, the theatre has a truly magical atmosphere, where the artistic spirit of ancient Greece is revived in this serene landscape. A performance here is not to be missed.

Other superlative facilities and amenities include: reception and lobby lounges, air-conditioning in all public areas, limousine service, indoor garage, fitness room, massage parlour, relaxation room, hammam, sauna, hair salon, medical suite, TV lounge, laundry service, shopping arcade, babysitting service, and animation and environmental awareness programmes for children.
